## News You Can Use

Hello Marcy Minneapolis Kids Parents,

It is hard for me to believe that we are on the countdown to the end of the 2017-2018 school year. We have just under six weeks of school left. This is the time of the year when I like to reflect on the things that were successful within our program and the things that were not as successful as I would have liked. The most exciting thing for me each year is to see the growth of the children in our care, as well as the new friendships that are formed and the continuation of friendships from year to year. It is always sad to say “goodbye” to our older sixth grade friends that will not return next school year, Malu, Maxwell, and Angelina. Have a wonderful summer and enjoy your journey in Middle School.

I asked some of the kids as a group what are some of the things that they liked this year at Minneapolis Kids, the answers were “my friends”, “field trips”, “card day” “toy from home day”, “going to the computer lab”, “the staff”, “cooking projects especially making guacamole with Yeng, and making pancakes with Diamond”. I also asked about the things that they did not like “reading/quiet time”, “being in the cafeteria”, “we need more slime days”, and why can’t we have a gum and candy day?” I told the children, some things we can make happen and some things we cannot, but we will always try to have a good attitude even if we cannot have what we want.

I cannot let the last newsletter of this school year go out to parents without taking a moment to thank my 2017/2018 Marcy Minneapolis Kids staff. Selina, Yeng, Diamond, Chris, Courtney, Andrea and Linda. You are all awesome, and I truly appreciate all that you do both seen and unseen to make this a fun, safe, happy environment for all of the children that we serve. I do not have the space to list all of the awesomeness that you each possess, so I will just simply say “thank you for all that you bring to our site on a daily basis, and thank you for making Marcy a very, very fun place to work”.

Everyone have a safe, fun, restful, wonderful summer!

Ms. Teresa
