Happy February!

It's a short month, with lots of things to do.

Groundhog's day is on the 2nd, lets hope he doesn't see his shadow.

The weather has had it's challenges this past month. When the district cancels after school activities we will remain open until all our kids our picked up. Please leave enough time to get here on time. Our staff needs to get home too.

Remember if the district closes school, we close.

We also like going outside when the weather is nice.

Send snow boots and pants, hats and mittens.

Staff Update

Marlon has taken a medical leave and will probably be back in the summer. Chase has been out with an injury and will be back this month.

Thanks for Calling

Thanks so much to those of you who call or email to let us know when your child will not be in.

It saves so much time in tracking down children who do not show up as expected. It's a load off our minds when kids are safe and accounted for.

Illness Facts

When should my child stay home?

If he/she has had an oral temperature of 100 degrees or higher in the past 24 hours.

If he/she has vomited 2 or more times in the past 24 hours.

If he/she has diarrhea, an increased number of stools compared to normal or has stools that are loose, and he/she needs to use the bathroom frequently.

He/she has an illness (severe wheeze, severe cough etc.) that prevents him/her from participating in routine activities.

February Non-School Days

Please remember that a two weeks notice is needed to both register for non-school days and to cancel care. You can do so by either registering online or by contacting our Minneapolis Kids main office.

A light snack is provided on all non-school days but a lunch is not. Make sure to send your child with a lunch and beverage each day.
