READ ALL ABOUT IT !

Hello Everyone,

We have been having fun getting to know you and your children. Everyone is getting into the routine and things are going well. We are using a new tracking system this year, your child's magnet goes with them everywhere.

On the main magnet board they put a different magnet on the space they are going next to their name.

This is a new process, so bear with us as we teach the children how to use the tracking system.

NEW STAFF:

Before and After School:
Illiana, Kisha, and Mikayla.

Just before school:
Tim and AJ

Just after school:
Alicia, Lucas, Alex, and A'Bryana.

Sarita is out on leave for an injury she had this past summer. She will be back after she healed.

Mpls. Kids will be celebrating the 19th annual Lights On Afterschool on Oct. 25th.

Launched in October 2000, Lights On Afterschool is the only nation wide event celebrating afterschool programs and the important role in the lives of children, families and communities.

From 4:30-5:30 come and make a button to celebrate with your child.

ACCREDITATION

We are in our reaccreditation year. Accreditation is a self study in quality programming and implementation School Age Care. A stakeholders team will be formed, which includes staff, parents, and school staff. If you would like to be on this team please let Debbie know.

Observations will be made, surveys given and answered. We will then discuss areas we have room for growth in and create an action plan for implementing those improvements.

We will be holding an informal information session soon.

Non School Days @ Wenonah

We have our first non-school days coming up this month.

Remember, you need to sign up for non-school days separately from regular school days.

We have some great field trips and on-site activities planned and would love to see your kids there! You can view the whole NSD calendar on our MPLS Kids site homepage on the webpage.

Minneapolis Kids will be closes on November 22-23.
