A New Year and New Adventures

Hey all,

Welcome to another fantastic year at Wenonah Mpls Kids. We've taken our first month to get into stride and now we are ready to get moving. We have a few new things that we tested last year that we are putting into full effect this year.

The big changes are detailed to the left, but there have been many small changes. Of course we are always open to ideas of how to make MPLS kids a more awesome place.

The Rotating Supply Bin:

In the main room we have added a rotating supply bin. Every month I will put a ballot on the welcome board. Students will be able to select what is coming to the art cart next month. In this way we can have access to supplies that normally wouldn't be in rotation due to scarcity. Septembers ballot is still in the hall. If you haven't voted do so.

Return of the Lounge:

The lounge has returned. We once again have access to the stage, which means our older kid space is open. Sadly our pool table perished, but we have added some high demand toys to try and fill the gap. If you have ideas for what the lounge needs. Hold on to them as I think the community should decide that.

Lights on After School

Mpls Kids will be Celebrating the 19th annual Lights On Afterschool Oct. 25, 2018!

Wenonah Mpls Kids will be making an adventure map of our neighborhood starting at 4:40 (weather permitting). We will also feature a variety of games, and art projects on site. Stop by and celebrate.

Accreditation News

As has been mentioned in the past, Minneapolis Kids at Wenonah is finishing it's accreditation process. By the time this newsletter goes out we will have had our first stakeholder meeting. However, for us to succeed we need your help. By the sign in/out station there are pamphlets about what accreditation is all about as well as parent surveys. Your feedback helps us improve.
