## March Highlights

On March 3rd we celebrated the release of the first Monopoly game in 1933 by making our own "Northrop Monopoly". What I thought would take one day went into weeks as the children rewrote the entire game with the help of Miss Suad. Family Challenge: make a Family board game!

On the afternoon of March 23 and the morning of March 24 we celebrated "National Chip and Dip Day" with a taste testing of 4 favored chips and 4 flavored Dips with children needing to match the flavors. This was a big hit and much harder to do then it would seem. As of the writing of this update only one child and no adults got all 8 flavors correct!
