Armatage December Newsletter

December 2015

Happy Holidays!

Happy Holidays from all of us here at Minneapolis Kids Armatage. We are very excited about moving into the winter months. As a new coordinator, I look forward to finding out how I can best help facilitate a great winter program but also ensure that everyone is being safe. We are planning on going outside often and utilizing the skating rink when it opens. I will be sending additional info closer to that time about details regarding skating and safety.

Next, I also want to remind all parents that during this time, it is imperative that

communication regarding absences and any related issues stays high. It is vital for the safety of everyone to make sure we can account for all children and stay safe during these months.

We will also be looking to build on the inside activities with the colder weather, so this includes a lot more project opportunities and chances to learn and do more art related projects.

Lastly, I wanted to mention to all parents that I

sincerely appreciate all of your support and help as a new coordinator. We are moving along quite well, but still look to only improve in providing the safety, and most fun environment possible for all.

THANK YOU!!!

Winter Reminders: Let's be ready!

As we progress toward the long winter and very cold temperatures, I wanted to provide a few helpful reminders for safety of all. First, it is vital all children have necessary clothing for outside. We will be going outside daily as long as weather and temperature permits. This

requires that children wear snow pants, boots, winter coats, gloves, and necessary hats. As well, please remind children to wash hands, as well as being prepared to prevent any colds/ seasons health issues. Lastly, we will be asking that all children place their items in their lockers.

Holiday Schedule

A few reminders regarding our release and Holiday Schedule. To be clear, release days in December fall on December 21st-December 23rd, as well as December 28th-December 30th. We are CLOSED on December 24th and 25th, as well as December 31st-January 1st Stay tuned for updates on potential field trips!
