Exploring Education—Bridging the Gap

Hello Armatage families! With the new year underway we as a team will look to change a few things within the program to better facilitate and work with our kids. We are very proud of the development of our kids but one our collective goals is to step up to explore how we can truly educate and inspire the members of MPLS KIDS!

With that said, parents can expect to see a few new programs taking place, which our staff are very excited about.

First, we will be starting some of our new clubs that

have already been taking place. This includes “Computer Tech” Club—in which kids will learn about various computer programs, including word, excel, PowerPoint, and even learning how to safely navigate the internet. Another programs that we are doing are photography club. Lastly, and I am most excited, is our production of Drama Club, in which we will putting on a production of the kids version Macbeth.

We also will push to do more engaging and fun activities that include

traveling, math and geography jeopardy, and much, much more.

We ask that all kids as well come prepared to read and do homework. As a program we hope to children can freely engage in many opportunities at MPLS Kids. It is a great break from the busy school day to have freedom and choices to do multiple educational and enriching activities. It is our job to provide a safe, yet structured and fun context for all to succeed.

Housekeeping

I also wanted to inform all parents that registration for summer 2016 will begin taking place on March 14th, at 12pm. Summer for Armatage students will be help at Kenny, operating from 6:30am-6pm. We are very excited about the upcoming summer and have already

booked all of our field trips! Please contact Dawn at the main office for more specific info.

Lastly, it is always a good idea to double check in advance for scheduled care of release days just to be organized.

THANKS!

Upcoming Dates

Just a helpful reminder of some upcoming dates. On February 12th, 2016, we will be having a release day, as there is no school. Please contact the main office for attendance confirmation. Also, we will be going on a Field Trip on that day to Air Maxx Sky Zone. Lunch will not be provided. Should be a great time!

Kids Welcome:

After School 2:00-6:00

Release Days: 6:30-6:00
