Fall Into Fall!!!

Hello Parents! Once again thank you for all your support! I am very happy to report that our program has continued to run smoothly over these fall months. We were able to execute an amazing few non-school days that included pumpkin painting, nature walks, harvest banners, fall oriented games, leaf tracing and our first field trip to Sever's Corn Maze, which went great! We will continue to provide a safe and fun environment for your children and greatly appreciate your commitment to these kids!

- **Communication, Communication, Communication**
⇒ Please notify me if your child will be sick, taking the bus home, or not attending Minneapolis Kids for any reason. It is my biggest task to make sure all students are accounted for, and all communication is helpful. It is vital that I have an idea about who to expect and not at the program.

Its getting cold!

- As you all know, we are getting closer to the winter months. Please provide your children with adequate hats, gloves, coats, and any other item that can keep them warm as we will be going outside if weather permits. As long as we are prepared, there should be no issue. Stay WARM!!!

Quick Reminder

As we move forward into the holiday months, there are a few reminders for the release dates of November. On the 25th, we have a non-school day. On the 26th and 27th, we will be closed . Please check with me regarding care on those days or contact the main office to double check if you have signed up for care.

NEW STAFF:

If you have not met them, please introduce yourself to our new staff, Ryan Williams (4th/5th grade) Caitlin Fellows (PK/K) and Denny Weston (1st)! All come with great enthusiasm to child care and we are lucky to have such talented people. They all have amazing ideas we will build on.

Thank you!!!

If you have any issue or questions, please email or call me at Hayden.Hammel@mpls.k12.mn.us and 612-668-3199

We will continue to work hard to help your children be safe, have fun, and grow here at Minneapolis KIDS!

Sincerely,
Hayden Hammel
