Armatage

November 2014

Fun activities at Armatage

October has quickly come and gone, and what a fun month it was. We had some great activities with the children throughout the month. The pre-k and kindergarteners have been learning new games together,

first graders have been doing fun scavenger hunts as well as creating many kinds of art activities. The second graders spent three weeks learning about medieval castles and then creating their own. The third graders created their own board game, and the fourth and fifth graders have been having a blast playing Pictionary and lots of fun sports in the gym.

We successfully completed our first release days! We had such a fun time at Severs Corn Maze, there are so many awesome activities to do at the corn maze and the children especially loved the bouncing blow ups, the

corn pit, the maze, and the exotic animals.

I am so excited to announce that we were approved for a grant to have the Minnesota Zoomobile come to Armatage! We were able to have the Zoomobile come visit Armatage on October 23rd and the children had a blast! Seeing different animals up close and personal and learning about them was great! The kids did an AWESOME job and were complimented many times at how great of listeners they were!

Release Days

We only have one release day coming up in November.

**November 26th: On-site—
Recycled Art**

Mpls Kids is closed on November 27th and 28th!

Update on new sign in/out

We were able to complete our first successful days of our new sign in/out system! There were only a couple changes that needed to be made to make sure all regular pick-ups were added to the authorized pick-up list, but other than that things seemed to go very smoothly!

Please continue to ask questions as they come up with this new system, as we are all learning together!

Kids Welcome:

After School 2:00-6:00

Release Days: 6:30am-6:00pm
