Full Steam Ahead!

Hello Parents! I am glad to report we are off to a great start so far for the 2015-2016 Armatage school year! We have been pleased with the growth and maturation of all children and look to continue that process. As we progress toward the Fall and Winter months, I wanted to update you all on some important reminders and dates, so that everyone is on the same page. Please also know that any communication is good communication. Any issues, questions, or comments are greatly appreciated.

Please also be aware the we have non-school days this month. Those dates are October 14th, 15th, 16th, as well as October 29th and the 30th.

As we move closer to the dates, I will be sending a parent e-mail to provide details about what we will be doing and what you should expect to provide with your child.

Just a few quick reminders as well.

- *Please notify me if your child will be sick, taking the bus home, or not attending for any reason. It is my biggest task to make sure all students are accounted for, and all communication is helpful. It is vital that I have an idea about who to expect and not at the program.*

Big Night!

On October 22nd, 2015, Minneapolis Kids will host an Open House as part of Lights on After School, a nationwide rally for after-school programs that is expected to include some 7,500 events this year. In all, one million Americans are expected to join events across the country to draw attention to the need for more after-school programs!

NEW STUFF!

We have also received new equipment for outside and are very happy with the activities the children are using. Everyday, games, clubs, free play, reading, homework, and much more are offered at the site. We enjoy the variety and only ask that materials are used respectfully and put back!

Thank you!!!

If you have any issue or questions, please email or call me at Hayden.Hammel@mpls.k12.mn.us and 612-668-3199

We will continue to work hard to help your children be safe, have fun, and grow here at Minneapolis KIDS!

Sincerely,
Hayden Hammel
