

Armatage March Newsletter

March 2015

SUMMER WITH MINNEAPOLIS KIDS

The Armatage/Windom/Kenny summer program will be based out of Windom this summer. There are several construction projects going on at Armatage and Kenny that won't allow us to run programming out of those sites.

Windom is a fully air-conditioned school and we will have access to lots of fun spaces! We will be making frequent trips over to Kenny and Pearl Park to use their splash pools, and we will be setting up a fun 'water zone' at Windom with sprinklers, slip 'n slides, etc.

Registration opens online on March 16th at noon for all families.

The summer calendar is posted on our website. We will be going on field trips on Wednesdays and Fridays, and our Thursday "Community Day" consists of an optional trip to a nearby park/library or a visit from a community partner. Our summer theme is "Going Around the World" so each week we will center our enrichment activities around a different country.

STAFF NEWS

Hello Parents,

It is with both sadness and excitement that I announce that I am leaving Minneapolis Kids. In my time outside of work I play music in a band and co-operate a small record label. Before coming to MPLS KIDS I was touring full time and now I have some opportunities ahead of me that I cannot turn down. My final day at Armatage will be on **Friday, March 13th**.

I have spent 4 years working at Armatage and have loved my time here. I have learned a lot from your kids and have had so much fun!

Devin Lazo has taken over coordinator duties here at Armatage and will continue to do so until Megan returns. MPLS KIDS aims to fill my position as CCW in the coming weeks.

It has been a privilege to work with your kids. I'll miss them greatly. I look forward to talking with you about any questions you may have.

- Mr. Pete
