## Our Mission

The program mission is to provide high quality school-age care for families. We offer a safe, nurturing, educational and recreational experience where children are encouraged to pursue interests, develop friendships, independence, and confidence.

## The Basics

- For pick-up you can park in the lot on 56th Ave and buzz in at the main entrance.
- Sign your child out each day at the Parent info station located in the hallway between the lunchroom and our room. Our staff try to greet each family at the beginning and end of the day, but if we are distracted please be sure to make contact with us. We want to be sure to see every child as they leave the program.
- Our program is choice based and each day your child will have the opportunity for art, imaginative play, reading, large muscle movement and special enrichment activities. We know everyone's schedule is different but if your child likes to participate in the enrichment activities please note that these start at 3:30 (snack, recess, and reading 2-3:30) and end promptly at 6:00. Speaking of Enrichment...

## Enrichment

You can see on the daily schedule that your child will have the opportunity to participate in a special activity each time they are at Minneapolis Kids. These Enrichment activities will include arts, crafts, cooking, sports, science, yoga and more! As the year goes on children will get chances to plan and lead these activities once a week!

## Monthly News

You will receive email correspondence filling you in on the happenings of the month. This will include daily activities, monthly themes, special projects, social skills we are focusing on and upcoming non-school day information.

## Parent Involvement

We strive to provide opportunities for parents to be involved in the program. We would love to have parents share their talents and interests. Of course, if you ever have a suggestion for the program feel free to email or call me any time!

### Homework Time

Homework can be done afterschool during quiet reading time, or during activity time. There will be staff available to help children that need assistance.

### Tracking System

When you enter the program you will see our tracking system. Each child has a space on our boards and a magnet. They must put the color of the magnet that corresponds to the room they want to go to next to their name on the board, and they must bring their name magnet with them to place on the attendance board in that room.

### Non School Days, Winter Break, Spring Break & Summer

Minneapolis Kids is open and provides care on non-school days. This year we will be back at Armatage! Parents must register in advance.

### Meals/ Snacks

Minneapolis Kids provides a nutritious after-school snack. The snack is provided through the school nutrition program, so if your child has dietary restrictions listed with food services, they will receive a special snack fitting the restrictions. The school lunch program is not in operation on non-school days; children must bring a bag

## Absences

It is the parent's responsibility to notify Minneapolis Kids when his/her child will not be in attendance, even for one day. If a child does not arrive after school and the program has not been notified, staff will start looking for the child. Parents and others listed on the child's emergency card will be called.

## Release of Children

If a person other than the parent or designated person is picking up the child, Minneapolis Kids staff must be notified. In emergencies, a parent must call to inform the Minneapolis Kids staff that another authorized person will pick up the child. The person will be asked to show photo identification.

## Medication

As school district personnel, Minneapolis Kids can only give medication with the written order of a health care provider that is licensed to prescribe and written consent of a parent/guardian. Signed parent permission is needed for sun screen and insect repellent.

## Allergies

Does your child have allergies or special dietary concerns? Please communicate with the Site Coordinator to ensure we take the necessary steps to keep your child away from allergens.

## Billing

Bills are generated electronically and will be forwarded upon completion of registration. Contract terms are available on website. Parents are expected to pay their contracted fee whether or not their child is in attendance. There will be no refunds for absence due to illness, vacation, or school closings due to inclement weather.

## Schedule Changes & Withdrawals

A schedule change is defined as: adding or subtracting one or more components, or changing the number of days/weeks for the school year or extended period of time. Minneapolis Kids does not swap days or credit for incidental days missed. Schedule changes require a two week notice and are made by contacting the main office. Two weeks notice is required when cancelling service.
