The Weather Outside is Frightful (And Fun)

Winter has arrived! This has meant both fun in the snow, and fun in gym on days when it is too cold to go outside. **Please make sure your child has weather appropriate clothing!**

As long as the air temperature and wind-chill are above 0 degrees we will try to go outside for at least 15 minutes.

November has been a month full of fun. We have added some new students who are quickly making friends and getting to know everyone. Sled races have been a popular outdoor ac-

tivity. The gym has been the site of epic games of Ships Across the Ocean and Scramble. Not to mention free play including Frisbee, basketball, hula hoops, and lots of jumping rope.

Ms. Rita and Ms. Holly have lead some fantastic art projects including Alligator Puppets and hopeful Spring Flowers.

Our first movie night was a hit

— we watched Toy Story 3 and snacked on delicious coconut popcorn. December is a short month, but we have lots planned!

Non-School Days

If you need a place for a non-school day that is less than two weeks away you can call the main office of Minneapolis Kids (612-668-3890) and ask about openings — they should be able to find a nearby site that has openings.
