## Happy New Year!

The new semester is off to a great start for Minneapolis Kids. A somewhat warmer than normal January has meant lots of fun outside on the sleds. The gym has been host to basketball and football games as well as scooter and stilt races, and parachute games.

The warm weather can't hold for the rest of the winter so **Please make sure your child has weather appropriate clothing!**

As long as it is above 0 degrees we will try to go outside for at least 15 minutes.

### Remember to Check the Lost and Found.

We have accumulated a great deal of winter clothing in our lost and found which is located to the right as you enter Room 46 underneath the art projects waiting to go home. Please check the lost and found next time you pick up.
