Celebrate Earth Day!

Earth Day is Saturday April 22! Here are few ways you and your family can celebrate together:

- Plant a tree or start a garden
- Keep the car in the garage: walk, bike or take the bus instead
- Reduce, reuse, recycle!
- Get outside and enjoy the day! Have a picnic in the park or go for a nature walk
- Do a home energy audit
- Participate in a neighborhood clean up

Three cheers for warmer weather!

As the weather gets warmer, we are hoping to take weekly walking excursions out into the neighborhood and down to Lyndale Farmstead Park. Jackets are required during outside time until the temperature reaches 50 degrees; long sleeves will be required for outside play until the temperatures are consistently warmer.

If you child will be absent, please call 612-668-3599 or email Anna.
