In The News

Weather Woes, with the changing seasons Minnesota we need to be prepared for anything. Please have a conversation with your children about how to dress for outside Example: 34- 40 degrees coat on or off, extra clothes in locker, puddles outside etc. in our program we schedule outside time daily.

Sick Child Policy

- * Has had fever 100 or higher
- * Has vomited 2 or more time in 24 hours
- * Has diarrhea or increased stools and need to use bathroom more frequently
- * Has an illness (severe wheezing, coughing) that prevents them from participating in activities

CELEBRATION

We want to celebrate our site-wide efforts in going above and beyond by treating each other kindly, helping each other and being respectful to all.
