

BRYN MAWR NEWS

April 2017

NOTE WORTHY NEWS

March Highlights

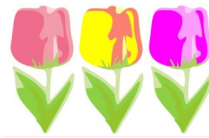

We had a delicious pizza party celebration! The children have already begun to figure what our next party treat will be!

March was national Music month so we tuned on the radio and listen to different kinds of music, put on our dancing shoes and asked some of young musicians to give us a sample of their instruments.

April News

In April we will embrace the warmer weather and plan many outdoor activities. We will celebrate Earth Day during the month by talking about how we can help keep or Bryn Mawr school clean and the surrounding community clean. Check out your neighborhood parks on for Earth Day activities on Saturday, April 22 starting at 9:30 until noon.

We also plan to do a little planting and some research on "Bee" seeds to explore.

Town News

Sundays at the Landmark Center is a series of cultural and art events that are design to entertain, enrich and educate the audience. All programs begin at 1:00 and are free to the public unless otherwise noted.

April 1st: Scottish Ramble \$6
April 9th: Urban Expedition Togo-Free
April 23rd Urban Expedition Karen (Burma) Free

For Bank of America card-holders they offer free general admission to museums nationwide the first full weekend of every month.
