

Welcome back

Wow, it is hard to believe the month of September is over, but I am glad to say we are up and running and things are going smoothly. We used the month to get our returning friends fun back into the routine and help our new friends learn the routines. We had a good time listening and sharing summertime activities.

October is packed with lot of great activities as well as our first non school days. The Bryn Mawr non-school day site is Marcy Open School, which is located at 415 4th Ave. SE. Registration is now open for the non-school days through winter break. You must register online for the days you are interested in attending. Here is what is planned at Marcy for October 19,20 and 21.

1. Wednesday October 19th– Field trip: Lunch and Movie at Pepito's
2. Thursday October 20th - on-site Obstacle course (lunch and beverage needed)
3. Friday October 21st—Field trip: Minnetonka Apple Orchard (lunch and beverage needed)

UPCOMING EVENTS

Lights on Afterschool is a nationwide event celebrating afterschool programs and their importance in the lives of children and families. MPLS Kids sites will celebrate this event on Monday Oct. 17th or Tues. Oct 18th having various open house activities. Here at Bryn Mawr we will hold our open house on **Tues. Oct 18th between 4:00-6:00**. We will focus on the fact that afterschool programming also provides kids with healthy snack as well as fun, enriching activities. We are going to combine our “Penny Drive” service learning project with donations going to a local food shelf to demonstrate how programs give back to the community. The students will also make some healthy snack samples to try. Come check our program!

REMINDERS

Please remember to give Mpls Kids a phone call or send me an email if your child is sick or you have a change in your schedule. I check my email and voice mail frequently during the day. If you contact the school of your child's absence they don't usually pass the information along so it helps to give us a call also!
