## February 12th

Friday, February 12th is the next non-school day. Minneapolis Kids will be open and we are planning a field trip to the Minnesota History Museum! Kids will get to explore the museum in small groups, do a scavenger hunt and have time to play in grain land.

- Please arrive by 11:00 so we can eat lunch and get on the bus on time.
- Kids need a lunch from home.
- We should be back to school by 3:30.

Kids must be enrolled to attend. Call the Minneapolis Kids main office to check your non-school day enrollment schedule. Remember, you can change your child's schedule online at [minneapolis.thatscommunityed.com](http://minneapolis.thatscommunityed.com)

2 weeks before the non-school day.

## Summer Enrollment!

It is already time to start thinking about summer! Minneapolis Kids offers full day care 6:30 AM- 6:00 PM and before and after Summer School Care. We go on full group field trips 2 or 3 times a week. We take smaller groups on bike, walking and city bus trips around the city. We also have lots of fun on site at Burroughs!

Enrollment opens **Monday March 14th** at noon and a tentative calendar will be available on our website.

## New Staff!

We are very excited to 2 new staff before and after school. Mary V is returning and is very excited to be back with the kids and start Harry Potter Club!

Dora is brand new to Minneapolis Kids– we can't wait to show her all the great things we do here!

### Kids Welcome:

Before School 6:30-9:00 am

After School 3:20-6:00 pm
