

Minneapolis Kids at Burroughs

Here is your first look for Summer 2015 at Burroughs! We are still planning so things are subject to change but this will give you a good idea of what we will look like so you can do your summer planning!

Mondays will be on site and our club day. Clubs will be based on student interest and we will also continue on with some clubs that we are currently doing this school year!

Tuesdays and Fridays are our typical yellow school bus trips. These include swimming trips and lots of fun places around the Twin Cities. There are a few trips that are just for older kids and some just for younger kids.

Wednesdays and Thursdays will be our “Around the Town Days” and special guest visitor days. Around the town trips include walking, biking or city bus to different areas in our community.

Registration opens March 16th at noon!
