December Highlights

Every month we sit down with the children to have them help plan and lead our activities. Please encourage your child to share something they love to do with the other children.

Sharing & Caring Hands Community Service Project

We will be collecting Mittens, Scarves and Hats to donate to Caring and Sharing Hands. They may be new or lightly used both for adults and for children.

Mpls. Kids offers outside play everyday when it is above 0 degrees.

Please make sure your child has the appropriate winter clothing for the cold weather.

December 8, is Kids Planning Day for January activities. We have a child and parent suggestion box by the iPad. Feel free to share your ideas.

On **December 1**, Mpls. Kids will be introducing Yoga for kids with Lindsay Anderson, one of our program specialist. She will be leading children in an exercise called "Mindful Movement".

On Fridays in December we will have "A Movie Club".

Children will be able to write scripts, act and film with a presentation with popcorn and fun on Dec. 16.

On **Dec. 12**, we have a group of children that will be leading a basketball clinic. Please see Susan Joy for more info.

Winter Break Closing

Loring Mpls. Kids will not be open December 19 - January 3, due to low enrollment for Winter break.

If you have any questions please contact the Main Mpls. Kids office at 612 668-3890.

Art and Projects

This is a creative group of children! Please check the plastic container next to the iPad and bring home any

of your child's creations.

Any art will be recycled if not claimed each Friday.

Thank you!

Weather and Health Alert

If the Mpls. Public schools is closed due to weather then Mpls. Kids is also closed.

If your child is sick they must be fever, throwing up and diarrhea free for 24 hours without the aid of medication to be at school or Mpls. Kids.

This is for the health of all children.

~Susan Joy, Site Coordinator
