Program Updates!

Students pictured above, having a blast building and creating with the Keva blocks!

As always, we have been busy here at Dowling Mpls Kids! Thank you for those that participated in our Family Festival! It was a great opportunity to learn from each other and was super fun!

Some exciting things coming up this month:

- Kids Club starting this month! Every Wednesday a student can sign up to lead an activity of their choosing!
- Group Mural Project—we will be creating a large mural to be hung in our space that will be completely designed and created by students!
- The students involved in the Two Mice—Love Story Musical will be performing for Mpls Kids and families on **March 28th at 4:30pm!**
