Program Updates!

Thank you for those that were able to attend the musical performance last month! Some exciting things coming up this month:

Our accreditation visit is quickly approaching! Once we get details as to when our validation visit is, we will be sure to keep families updated. We are extremely excited for this as we all have been working so hard all year to get Dowling Mpls Kids running at its very best!

We will be hosting a **Spring Talent Show** again this year! **April 27th**, starting at **4:15pm** and it will be in the auditorium. Families are encouraged to join and refreshments will be served for all after the show!

Pictured is our celebration of the Hindu Festival—Holi! Known as the “festival of colors” it celebrates the victory of good over evil, or the end of winter and the start of spring!

Community Garden

Spring is here and we are getting started in our community garden plot! We are asking for some additional help from families in getting our plot tilled and ready for planting! If you have extra supplies or are willing to donate your time we would greatly appreciate it!
