Our Mission

The program mission is to provide high quality school-age care for families. We offer a safe, nurturing, educational and recreational experience where children are encouraged to pursue interests, develop friendships, independence, and confidence.

The Basics

- For pick-up and Drop-off you can park on S Penn Ave in front of the playground and enter through door #1. You'll then be able to buzz in at the labelled MPLS Kids intercom.
- Sign your child in & out each day at the Parent info station located right inside our room door (208). Our staff try to greet each family at the beginning and end of the day, but if we are distracted please be sure to make contact with a us. We want to be sure to see every child as they enter or leave the program.
- Our program is choice based and each day your child will have the opportunity for art, imaginative play, reading, large muscle movement and special enrichment activities. The morning program will consist of quiet time, options, and outside time. As each child arrives they will be given a set of choices and warmly welcomed into the group. The afternoon consists of options as well as curriculum developed by our staff to provide enrichment and learning opportunities. This year monthly interests clubs will be implemented to give children the opportunity to pursue a club of their interest for a full month of activities.

Enrichment

You can see on the daily schedule that your child will have the opportunity to participate in a special activity each time they are at Minneapolis Kids. These Enrichment activities will include arts, crafts, cooking, physical activity, math, science, French, yoga and more! As the year goes on children will have the opportunity to give input and design select activities on their own. At Minneapolis Kids we encourage children's feedback for our program.

Monthly News

You will receive email correspondence filling you in on the happenings of the month. This will include daily activities, monthly themes, special projects, social skills we are focusing on and upcoming non-school day information. Parents can always expect at least one email a month containing a newsletter and a calendar to refer to.

Parent Involvement

We strive to provide opportunities for parents to be involved in the program. We would love to have parents share their talents and interests. Of course, if you ever have a suggestion for the program feel free to email or call me at anytime.

Homework Time

Homework can be done before and afterschool during quiet reading time. There will be staff available to help children that need assistance.

Tracking System

When you enter the program you will see our tracking system. Each child has a space on our tracking system and a magnet. They must put the color of the magnet that corresponds to the space they want to go to. Then they must bring their name magnet with them to place on the attendance board in that room. This allows staff to be able to have a live roster of their space. Parents will also have the ability to know where their child is when they come in for sign out.

Non School Days, Winter Break, Spring Break & Summer

Minneapolis Kids is open and provides care on non-school days at Kenwood. Parents must register in advance. Non-school days include care from 6:30-6:00 and typically include field trips every other day. The schedule for Non School Days containing activity and field trip information will be sent out in advance.

Meals/ Snacks

Minneapolis Kids provides a nutritious after-school snack. The school lunch program is not in operation on non-school days; children must bring a bag lunch and beverage from home.

Minneapolis Kids Policies & Procedures

Sign In/Out

Parents or an authorized person must sign the child in and out and make contact with a staff person. Parents will identify those authorized to pick-up upon registration and may update this entry at any time.

Absences

It is the parent's responsibility to notify Minneapolis Kids when his/her child will not be in attendance, even for one day. If a child does not arrive after school and the program has not been notified, staff will start looking for the child. Parents and others listed on the child's emergency card will be called.

Release of Children

If a person other than the parent or designated person is picking up the child, Minneapolis Kids staff must be notified. In emergencies, a parent must call to inform the Minneapolis Kids staff that another authorized person will pick up the child. The person will be asked to show photo identification.

Illness

Children who are ill will not be able to participate in the program. When must a student stay home?

- * If he/she has had an oral temperature of 100 degrees or higher in the past 24 hours.
- * If he/she has vomited 2 or more times in the past 24 hours
- * If he/she has diarrhea, an increased number of stools compared to normal or has stools that are loose, and he/she needs to use the bathroom frequently.
- * If he/she has any rash for which the cause is unknown.

Medication

As school district personnel, Minneapolis Kids can only give medication with the written order of a health care provider that is licensed to prescribe and written consent of a parent/guardian. Signed parent permission is needed for sun screen and insect repellent.

Allergies

Does your child have allergies or special dietary concerns? Please communicate with the Site Coordinator to ensure we take the necessary steps to keep your child away from allergens.

Behavior

For everyone's well-being we expect children to:

- ⇒ Keep hands, feet and objects to yourself
- ⇒ Follow directions and respect the people in charge
- ⇒ Use appropriate language
- ⇒ Respect other people and property

We follow the Mpls Public School's discipline policy. Parents will be notified with ongoing difficulties and to gain their support in helping their child be successful.

Billing

Bills are generated electronically and will be forwarded upon completion of registration. Contract terms are available on website. Parents are expected to pay their contracted fee whether or not their child is in attendance. There will be no refunds for absence due to illness, vacation, or school closings due to inclement weather.

Schedule Changes & Withdrawals

A schedule change is defined as: adding or subtracting one or more components, or changing the number of days/weeks for the school year or extended period of time. Minneapolis Kids does not swap days or credit for incidental days missed. Schedule changes require a two week notice and are made by contacting the main office. Two weeks notice is required when cancelling service.

Late Pick Up

All children must be out of the Minneapolis Kids program space by closing time at 6:00 p.m. (according to the site clock). If you know you will be late, please make arrangements for someone to pick up your child before closing and inform staff at the site. Staff is required to remain with children until a guardian arrives. Unless otherwise informed, at 6:00 pm staff will begin calling emergency contacts listed on the enrollment form. Repeated late pickups will result in termination of service.
