DECEMBER HIGHLIGHTS!

After 8 weeks of Clubs, at our Family Showcase Night, we aired the premier of our Music Video, showed off our Mickey Mouse drawings and 3-D Camera Dioramas we made in the “History of Disney” Club, ate some delicious baked creations made with eggs in “Eggsperiments” and delved into all the positive characteristics we explored watching wholesome films in “Movie Madness!”

Check out our next Family Showcase Night on February 26th 4—5:30 PM!

ACCREDITATION UPDATE

We are underway with Accreditation! Thank you to everyone who filled out a survey, joined the Stakeholder Team or attended our Accreditation Kickoff Event!

We have completed the surveys and observations and are in the process of compiling the results. Our Stakeholder Team will meet in January to implement any changes needed to improve our program to offer the best possible service to youth and families!

A DAY IN THE LIFE OF OUR CLUBS: “HISTORY OF WALT DISNEY”

We learned how Mickey Mouse got his start: his evolution from Steamboat Willie up through his current computer animated T.V. show on the Disney channel. We also talked about how Walt Disney was able to hire amateur artists due to the simplicity of Mickey’s circular shapes. We then put this idea into practice by following a tutorial on how to draw Mickey Mouse! This is our finished display for the Parent Showcase Night.
