“LIGHTS ON AFTERSCHOOL!”

Launched in October 2000, Lights On After-school is the only nationwide event celebrating afterschool programs and their role in keeping kids safe, inspiring them to learn and helping working families. The effort has become a hallmark of the afterschool movement and annually sees more than 1 million Americans celebrate at more than 8,000 events nationwide.

PARENT ADVISORY COUNCIL

Our Parent Rep for Field is Mary Cmiel, mom of Kendall Cmiel. You can email her with any comments at snix1988@yahoo.com to share at the Minneapolis Kids Citywide Meetings.

At Field, Mr. Alex led a project titled, “Hats Off to After-School” - a Bakken Museum science project in which he and the students created light-up hats! (See picture featuring Katherine, Mr. Alex and Madeline.)

“A DAY IN THE LIFE” Release Day @ Sever’s

For our “Jack and the Cornstalk” tall tale, we went to Sever’s Corn Maze in Shakopee. There, we had a blast diving in a giant Corn Pit, feeding animals at the Petting Zoo, playing tag on a series of connecting Hay Stacks and meandering through a giant 20th Anniversary themed Corn Maze!
