Some important things to know about Minneapolis Kids –

- We are part of the school district, but are separate in the fact that if you call the school to let them know your child is absent for the day, we do not get that message, so please be sure to email me, or call the Mpls Kids number and leave a message that your child will not be there. This helps us keep track of the children and not waste too much time trying to find children that are not supposed to be there.

- Please be sure to bring your ID with you when picking up your child! If we do not recognize a parent, we will ask for your ID before we release your child to you. This is a safety matter for all children in the program. We do have many new families this year so please be patient as we try to remember which parent belongs to which child! 😊

Minneapolis Kids late pick up policy is as follows.

Following the first incident a late fee of \$1.00 per minute will be assessed for picking up a child after 6:00pm

Following the second incident, a late fee of \$1.00 per minute will be assessed for picking up a child after 6:00pm

After the third late pick up, a fine of \$25.00 will be assessed. Parents will be notified that future late pick ups could result in termination of service.
