

Kids Care Rare Week!

Feb 27th-31st!

Rare Disease Day is February 28th and we are teaming up with our Hale teacher Erica Barnes, speech language pathologist, to bring awareness to the 7,000 rare diseases that affect 1 in 10 children born!

Ms. Barnes lost her daughter to a rare disease and has since been a passionate support and advocate for raising funds and awareness for rare disease research.

Join us in our fun filled spirit week and help raise funds and awareness!!

(For your convenience kids are welcome to bring \$2.50 anytime before Mon instead of .50 cents daily and we will note that they are participating for the week. thanks!)

Monday 27th

Guess away day!

Bring .50 cents and get an entry in our guessing jar contest!
Guess the closest number and you get to take the goodies home!

Tuesday 28th

A-rare-ness Dress Up Contest
Bring .50 cents to be entered in our
Wear something rare contest!
The top three winners will win the grand prize!

Wednesday 29th
