SUMMER

Hello Kenny Families!

This is our last newsletter for the 2018 /2019 school year! This means that SUMMER is nearly here. With our summer programming fast approaching I want to provide some reminders and info regarding the program!

Summer registration has been open for some time now and contracts are being accepted. Our summer program this year will begin **Thursday June 13th**. If you have a kiddo going to summer school or the Gems/Gise program and will be also be attending Mpls Kids please make sure to arrange busing with the school so they are ready to go on the first day!

Summer brochures filled with the calendar and all other information regarding programming will be given to all families by the first day of summer! Summer field trip shirts will also be disbursed by that first day!

We can't wait for summer!

Extra Clothing

As the school year is ending we have noticed our supply of extra clothes is thinning out. If your child has gotten a change of clothing from our supply it would mean a lot if those could be

cleaned and returned! If you would like to donate any clean clothes you have to spare that would be greatly appreciated as well!

Reminders

- Please remember that programming ends at 6pm. If you will be late to pick up your kiddo make sure you call to let us know.
- With the weather warming up we will be spending more time outside! Mpls Kids does not typically supply sunscreen during the school year, but if you have some and would like us to apply that to your child please let me know!

Kids Welcome:

Before School 6:30—8:30 am
After School 2:30—6:00 pm
