Lights On Afterschool

On October 22nd, 2015, Minneapolis Kids will host an Open House as part of Lights On Afterschool, a nationwide rally for afterschool programs that is expected to include some 7,500 events this year. In all, one million Americans are expected to join in events across the country to draw attention to the need for more afterschool programs.

Non-School Days

In October we will have Five non-school days when Windom Dual Immersion School Minneapolis Kids will join us at Kenny for fun activities and Field Trips. Here is what our schedule looks like:

Wed 10/14: Dodge Nature Center

Thurs 10/15: Gale Woods Farm

Friday 10/16: Movie Directors! (on-site)

Thurs 10/29 Airmaxx Trampoline Park

Friday 10/30 Costume Day (on-site)

Pick-up time Procedure

We appreciate your cooperation in picking up your children from their location. We are trying to avoid calling for students over the walkie-talkies so staff can focus on the children and the activities they are running. If your child's magnet is missing or otherwise compromised, please don't hesitate to ask for clarification about their location.

Please make sure **you or your child** moves their magnet to home when you pick them up each day. This helps us keep our records of which children are with us accurate.

More Kids, More Fun

This year we have more kids, more spaces, and more fun planned! The children will be assigned to one group based on age and will be offered a variety of activities on a daily basis. Please see the calendars of activities located on the Parent Board by Rm 122.

Accreditation

Kenny Minneapolis Kids will be continuing the Accreditation process this year. The mission of Minneapolis Kids is to provide high quality school age child care for Families. The program offers a safe, nurturing, educational, and recreational experience where children are encouraged to pursue interests, and develop friendships, independence, and confidence. Pursuing Accreditation enables us to continue to evaluate and improve our programming.

Kids Welcome:
