Annie!

In the Fall, 3rd - 5th graders did a wonderful job rehearsing and performing some fun skits with Tor, one of our 3rd grade staff. Because it went so well, we decided that we would put on a full play this spring... Annie!

The play is open to all 1st -5th graders who would like to participate. Casting has been completed for those who have expressed interest at this point. This list will be sent to the parents whose children have decided to participate.

Practice runs from 4:00 - 4:45 on Mondays and Wednesdays and from 4:30 to 5:00 on Tuesday's and Thursdays! The play will be performed in April after we return from Spring Break.

Accreditation

As we move into the final stages of the accreditation process, we are continuing to ramp-up our spaces.

Please take a minute to check out our portable cafeteria rooms in the upcoming weeks to see all of the awesome changes!

We are always looking for feedback on our programming here at Kenny and welcome any notes on the new additions, or ideas you may have on further changes we can make.

Non-School Days

In February we have only one non-school day with programming.

February 17th - Out of This World (On-Site)

Children will be exploring other planets and the idea of life existing outside of Earth!

Please remember that on non-school

days, all children should come with a lunch packed. We will provide an afternoon snack.

**February 20th -
CLOSED for Presi-
dent's Day**

Snow Gear
