Accreditation

The long journey of accreditation is coming to an end this month! We will be having the final validation visit early in May.

This means that we will be working hard the next few weeks to perfect our systems and finish making our spaces look great!

Any suggestions from parents or students are always welcome. Our goal throughout this entire process has been to create a program that provides high-quality out-of-school time programming and a huge part of that is making sure that we are meeting the specific needs of our families.

Annie

I want to thank everyone for such a wonderful turn-out at our Annie performances! The kids did an absolutely wonderful job and I am so happy that they were able to show off all of their hard work to so many friends and loved ones.

Tor worked diligently for months to create the performance and it sure paid off. Thank you to all of the parents who adjusted their schedules to get kiddos to practice and allow them to stay late to perfect their roles :)

We are excited to announce that next year we will continue on the new tradition with a Willy Wonka performance!
