We provide high quality school age child care for families. We offer a safe, nurturing, educational and recreational experience where children are encouraged to pursue interests and develop friendships, independence, and confidence.
Welcome!
Welcome to our summer adventure! We tried to answer all potential questions in this handbook so keep it handy for a reference.

This summer our theme is “Time Travelers!” We will time travel to different eras and decades where the activities will center around that time period’s art, games, food, sports, inventions, and important events. Not only will be travel to the past, but we will also send kids into the future!

Field Trips

Permission Slips—Please return all completed forms to a Mpls Kids staff by Wednesday, June 1. These need to be done before your child may participate in the program.

Participation—All kids must accompany the group on days they are registered. Alternative care is not available on site.

Summer School—Children in summer school will not be able to join the group on field trips if summer school is in session that day. Staff will be on site to meet the bus for kids scheduled to be with us after summer school.

Departure Time—Children must be on site by 9:30 am (unless otherwise indicated on the itinerary). This is 30 minutes prior to our departure and our group meeting time. During this time, we talk about our destination, FT expectations, take attendance, divide into small groups, answer questions, apply sunscreen, and count children.

T-Shirt—All Mpls Kids participants will be provided with a summer t-shirt. These shirts MUST be worn on ALL NON-SWIMMING field trips. These colorful shirts help us track our group out in the general public. It makes life much easier for kids and staff to see each other!

Visitors—We welcome parents to join us. Please let us know in advance so we can talk you through the process and adjust our numbers with the destination.

Lunch—Send a lunch with your child that includes a drink. We do not provide a microwave to heat up food. See the following page for more info.

Spending Money—Typically we do not allow kids to bring money on field trips. However, there are a few trips that make sense to honor the kids’ requests to bring money. We note it in the itinerary and kids are responsible for their own money. If kids do bring money on other field trips, we do not allow them to spend it.

Swim Trips

Swim Shirts—Mpls Kids provides shirts designed for water use that ALL children need to wear on every swim trip. Swim shirts are NOT to go home. They are returned to staff after each use, washed, and given out for the next swim trip. Wearing these makes it easier for staff to track children in busy pools and help keep them safe.

Check-In and Check-Out
All children must be pre-registered through the Main Office. In the interest of safety, Mpls Kids will not accept legal responsibility for a child unless an authorized person electronically signs him/her in. An authorized adult must also sign the child out at the end of his/her day with us. Please let us know if someone new is picking up and remember an ID will be needed.
What to Wear?!

⇒ Casual clothes that can get dirty
⇒ Shoes with backs and/or straps (flip flops for water activities only)
  Ok: Sandals with back strap, keens, tennis shoes

Behavior
For everyone’s safety we expect children to:
• Keep hands, feet and objects to yourself
• Follow directions and respect the people in charge
• Use appropriate language
• Respect other people and property

We follow the Minneapolis Public School’s discipline policy. Parents will be notified when there are ongoing difficulties to help problem-solve their child’s behavior.

Sunscreen
We regularly apply a Kids SPF 30 sunscreen to children throughout the day. On outdoor field trips, we try to reapply every 2 hours.

If your child is unable to use our sunscreen, please provide your own with your child’s name clearly labeled on it. Please resupply often.

Medication
If your child is prescribed medication that must be administered during Mpls Kids hours, a physician or dentist must provide written instructions to Mpls Kids. There must also be written permission from the parent to administer the medication.

Medication must be in the original container, properly labeled with the child’s name, date, amount, and frequency of dosage. This procedure is also applicable to “over the counter” medication (i.e.: Tylenol).

Late Policy
All children must be picked up by 6pm and families must leave the building by then. We appreciate your prompt pick up as our staff’s day also ends at 6pm and have family and obligations to attend to immediately after work.

If you know you will be late, please make arrangements for someone else to pick up your child before 6pm and please tell Mpls Kids staff as well.

A late fee of $1 per minute will be assessed for picking up a child after 6pm.

On the third incident a $25 fee will be charged. After the fifth incident service will be terminated. Thank you for respecting our time by picking up your child before 6:00 pm.

Lunch and Snack
A highlight of the day! Kids must bring a lunch with drink EVERY DAY. Refrigeration is NOT available for student lunches, so include an ice pack if needed. We provide a healthy afternoon snack daily.

Bag Lunch—Field Trip
Field trips often require a “disposable lunch”! What is it? It is a lunch in which EVERYTHING is tossed after eating, including the bag (nothing to bring home). See the itinerary for dates these lunches are needed.

We often continue with the field trip after lunch and a disposable lunch gives your child the freedom of enjoying the rest of the trip without having to remember where his/her lunchbox was last seen. Thanks!

Handy Hint: Pack the lunch in a plastic Target/Cub bag to prevent bag tears due to water bottle sweating. Many brown bag lunches fall apart on the bus ride to our destination. Please send a plastic spoon/fork if needed too.
Community Helpers
We continue our summer tradition of learning more about the community around us and giving back to others. The kids and staff will work together to come up with great community service ideas. Let us know if you hear of needs in the community that our kids could help with this summer.

Our Wonderful Staff
We are delighted to be combining staff from our great sites this summer. From Windom, Devin, Kate, Maura, Avram and Ana will be on the staff team. From Armatage, Hayden, Karen, Merja, Timothy, Ciara, and Theresa will join in the fun! As for the Kenny team, McKenzie, Alisa, Madhu, Joyce, Brian, Suad, and Malcolm will be kicking off a great summer for the kids! Check out our staff board at the Parent Night to learn more about our dedicated staff. Until everyone becomes familiar with each other, please don’t be offended if we ask for a photo ID when you pick up your child.

Community Days
Each Thursday, we will have an optional community trip or visitor so kids can learn more about the community around them. Some examples of these community days are a walk to Minnehaha Creek, a visit from the Humane Society, and a bike/scooter day.

Screen Time
Throughout the day, we have multiple options for a variety of activities, which range from outside play, computer lab, art and science projects, gym, media, and free play. We align with the MAAP accreditation standards that limit a child’s screen time.

This standard was created with the American Pediatric Association recommendation in mind that children should engage with entertainment media for no more than 1 to 2 hours per day. We encourage movement and physical activity, but also see value in meaningful engagement with technology.

No Toys from Home
Toys and items of value (including electronics of all types) should remain at home. They can be damaged or lost. Mpls Kids does not assume responsibility for any items brought from home.

Lost & Found
The box is often full of many unclaimed items. Please check the Lost & Found area often. Unclaimed items will be donated at the end of the summer.

D.E.A.R.
(Drop Everything And Read)
We love to read! Summer is a great time for kids to continue their reading skills from the school year.

We slow things down as a large group and have quiet reading time for about 30 minutes every day.

We have books available for kids to choose from, but often they enjoy bringing a book from home to read.

We strongly encourage bringing books from home. Just be sure to label it with his/her name so it returns home.

We also have bilingual staff who will support Spanish literacy so that students can continue their learning throughout the summer.
