Summer

Due to construction at Kenwood, we are unable to house our summer program from this location. Jenn will be going to Lake Harriet Upper Campus. The location of the rest of the crew will depend on where the majority of Kenwood kids decide to register. Summer calendars for each site are posted. Summer packets

will be posted soon.

Registration opened on March 13th at noon. If you are interested in summer, please make sure to look at our locations to decide which program will work for your family.

Jenn can help with any questions.

Changing Schedules

Thank you for continuing to inform us when your child will be absent. It really saves us a lot of time and worry when we know beforehand.

With after-school classes beginning and ending, schedules will be changing. Remember to change your schedule with the main office to avoid the \$5 drop-in fee.

2017/18 Registration

Fall registration for our current families opens on Monday, April 17th.

New Mpls Kids families may register on Monday, May 1st.

New Information Board

We are starting a new information board that will be located just outside of room 118.

Any news or information updates will be posted on the board, along with other site tidbits.

Make sure to glance at it daily, as the information will change frequently.

Kids Welcome:
