## Registration & Summer

Registration for the 2017/18 school year is open for both current and new families.

If you know any families that may be interested, please feel free to give them my email address. I will be checking it daily throughout the summer.

Kenwood will be closed for the summer but many of our families have registered at other Mpls Kids locations.

Jenn will be heading younger kiddos (kids entering 1st and 2nd grades) at Lake Harriet Upper Campus. Because the majority of our kids have signed up at LHU,

the rest of the Kenwood staff, who are opting to work this summer, will be there as well.

## Lost & Found/Meds

Please double check the lost and found, both the blue shelf by 118's door and the lunchroom rack. Both areas are full of clothing and other treasures that will be donated if not collected.

If you have medication for your child stored at Mpls Kids be sure to grab it the last day your child is in attendance.

## Bike Club

Every Thursday in May and June we will be taking kids on biking adventures around Lake of the Isles. Participants must have a signed permission slip, helmet, and the ability to pedal a couple miles at time.

Kris is the lead. Feel free to ask her any questions:)

## Thank you!

It went by quick but it really has been a great year! Thank you for all of your support as we began building our Kenwood location. We have had a lot of laughs and fun times getting to know your children and your family! You are all amazing and we can't wait to see you again next year!
