### Community Education

SCHOOL AGE CARE

Minneapolis Kids

## Updates and Reminders

### Updates:

We are on the homestretch! It has truly been a pleasure to be able to build relationships with the children and families here at Kenwood this year. Thank you to all of you for welcoming our staff into your community and trusting us to provide a safe, fun, and educational afterschool space for your children.

In our last month and couple weeks we can look forward to some science experiments and story telling. Our students seem to love hearing personal stories from our staff members so we will highlight a certain topic each week and encourage respectful conversations between students to get to know each other better.

### Reminders:

Any drop-in days should be approved through me first and I can contact the office. This saves us a step if you contact the office first. Thank you for understanding.

Please continue to keep in contact regarding student absences. This makes our attendance process much smoother after school.

All lost items at MPLS Kids will be left on our parent information area outside of room 208 for a few days before being moved to the school's lost and found.

Thank you for your cooperation.

## May 24th BBQ Event

Before Memorial Day weekend (weather permitting) we will have a BBQ at the park across the street with some fun activities for the children to participate.

Families are more than welcome to attend and socialize!
