A big thank you to our VolunTeens! This was a new venture for us and we appreciate the willingness of our veteran teens to suggest and implement improvements. We are thrilled with the results. And thank you to Beau for designing our logo!

Our dedicated group of 7th & 8th graders volunteered with us mornings and/or afternoons over the past year. They provided leadership, positive role models, and fun for all of us. It's an evolving program and we look forward to next year! Talk with Anita if you have an upcoming 7th or 8th grader who may be interested in volunteering with us.

Our "AM gym rats": Theo D, Jonas G, Liam T, Owen L, Patrick H

Our "café crew": Brynn S, Sam F, Sophia S, Wyatt S, Mitchell P

We will miss our favorite 8th grader, Theo. Good luck at Academy of Holy Angels next year! His positive leadership primed the upcoming 8th graders to be ready to fill his spot. Thank you!

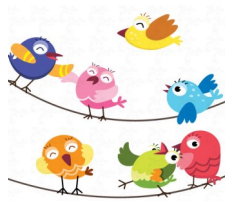

Everybody Dance Now . . .

We can't wait until the Grade 8 Dance Teams perform for the entire school on Friday, May 19! This is a decade-long tradition at LHU.

They were divided into teams as part of their gym dance unit. Then each team decides on a song, dance moves, costumes, and practices like crazy. We have been in the midst of their practices every morning in the atrium and have seen tremendous progress. Our kids have an up-close view of what's waiting for them in grade 8!

We will be cheering for Theo and his team plus our many other 8th grade friends. It's an uplifting afternoon seeing them all defy their fears and perform amazing acts of courage on stage. Let's dance!

Join the Fun!

2017—18 School Year Registration is open. We provide a fun and safe place to hang out before and after school for those in grades 4—6. We would love for you to join us!

Summer Registration is still open. We are at **UPPER** campus! Our calendar is on our website. Sorry, no 8th graders for the summer.
Older = entering grades 3—7, Younger = entering grades 1—2

Kudos to All

Thanks for a great year! We have a wonderful group of kids who care about others, try new things, have fun, and learn a bit on the side whether they realize it or not. 😊

To our fantastic staff who are the heart and soul of our program—It is a joy to see kids connecting with adults who genuinely care about them.

We hope your experience was equally positive. Thank you for being a part of our extended family.
