Thank you to our VolunTeens! We have a unique group here at LHU comprised of veteran Mpls Kids teens in grades 7 & 8.

Our dedicated crew volunteered with us mornings and/or afternoons over the past year. Ada, Ali, and Calvin provided leadership, positive role modeling, and fun for all of us. We will miss our 8th grader, Calvin. Thank you and good luck in high school!

Talk with Anita if you have an incoming 7th or 8th grader who may be interested in volunteering with us. We work with them to make it a win-win for all of us.

Our thanks to the VT65 Crew too! They continue to amaze us as they step up and help our younger youth every day. We are fortunate to have so many 6th and 5th graders with us. It's been fun!

Join the Fun!

2019—20 School Year Registration is open. We provide a fun and safe place to hang out before and after school for those in grades 3—6. The 3rd graders take the bus to LHL in the morning and bus from LHL to us in the afternoon. We would love for you to join us!

Summer 2019— We are at **UPPER** campus! Our activity calendar is on our website. Sorry, no incoming 8th graders for the summer. Older = entering grades 3—7, Younger = entering grades 1—2

PAC Rep

Thank you to Anne Thielen, our Mpls Kids Advisory Council parent rep.

We really appreciate you taking the time to represent our site at the Council meetings and for being our parent contact here at LHU. Thank you!

9am

3rd graders leave their spaces to gather belongings, check out, and board the bus. The #7 bus departs about 9:07. When they arrive at LHL, they may head to breakfast or go straight to class.

Dance Fever

Thursday, May 16 is the 8th Grade Dance Show! This decade-plus annual tradition at LHU involves ALL 8th graders as part of the gym dance unit.

We've been in the midst of their team practices in the atrium every morning. It's a preview of what's waiting for all in grade 8!

During the all school assembly, we'll cheer them on as they confront their fears, work together and perform amazing acts of courage on stage. Let's dance!

Accreditation

We had a fantastic visit with our validator in April. This was the finale of a year long program review. Many thanks to parents, Melissa Helland and Anne Thielen, for being on the Stakeholder Team. Our thanks to all our families and youth for completing surveys and giving us feedback.

The MAAP Board will give us official notice in mid-August whether or not we passed.

Cheers to All

Thanks for a great year! We have a wonderful group of kids who care about others, try new things, have fun, and learn a bit on the side whether they realize it or not. 😊

To our fantastic staff who are the heart and soul of our program—It is a joy to see kids connecting with adults who genuinely care about them.

We hope your family's experience was equally positive. Thank you for allowing us to be a part of your extended family. Enjoy the summer!
