Minneapolis voters will be asked to renew the school district’s current operating referendum authorization, which expires after the 2016-17 school year. If passed, funding would help Minneapolis Public Schools manage class sizes and provide supportive services and activities for students. Property taxes are not projected to increase if the referendum renewal passes. Learn more at [www.mpls.k12.mn.us](http://www.mpls.k12.mn.us) /referendum 2016.
