Mission Impossible!

In mid-November we did an activity called Mission Impossible, and it was a huge hit! We had almost all of our kids at MPLS Kids that day participate and they had a blast! We took red yarn (to symbolize the lasers in spy movies) and criss-crossed it across the hallway between our room and the Media Center. After a “laser maze” was created, the children took turns trying to make it through without touching the yarn. It was very easy to set up and would be a great rainy day activity at home!

December Non-School Days

With winter break at the end of the month, we have a handful of non-school days in December!

Remember: MPLS Kids will be CLOSED December 24th/25th and 31st, as well as January 1st.

December 21—On Site: Marvelous Monday
December 22—Field Trip to The Work Museum
December 23—On Site
December 28—On Site: Iron Chef
December 29—Field Trip to Shoreview Tropics Waterpark
December 30—On Site: Pajama Party

Child Absences

If your child is absent from school, please call MPLS Kids to let us know! We do not get a list of absent children from the office, so we will not know unless you give us a heads up! The same goes if your child is picked up from school from an illness. The school nurse does not let us know who left during the day. Giving us a call to let us know will help us keep all the children safe and accounted for here at MPLS Kids ☺

In the case of a student absence, you may call our site phone number or you can email

612-668-4004

angela.parker@mpls.k12.mn.us

We appreciate your help greatly!

Kids Welcome:

Before School: 6:30-8:30

After School 3:00-6:00

Non-School Days: 6:30-6:00
