Non-School Days!

Spring break is just around the corner! Registration is open for the entire second half of the school year. If you signed up for non-school days at the beginning of the year, you will need to go online and register for the second half as well. They do not carry over. Also, 2-weeks before a non-school day is an important time. It is the deadline to cancel care for a non-school day, and it is also the last day we can guarantee a spot for your child. Please sign up early so we can make sure you child(ren) can come for all the days you need!

February Non-School Day

We have one non-school day in February. On February 12th we will be going on a field trip to Stepping Stone Theater to see "Ruby!". Stepping Stone is a theater for youth development. We will be leaving at 11am.
