## Another Year Coming to a Close

Its crazy to think another school year is almost over! This year was full of many wonderful activities, energy, and experiences. This year we went through the MAAP accreditation process, which is a way to show we have sustaining quality in our program. We also implemented our Kids Clubs, Youth Council, and Older Kids Space. We have a great team of staff heading into summer, and they have done an amazing job helping lead our program! Our kids did a great job stepping up and helping to plan and lead activities, and it was great watching them learn and grow through that.

### Reminders:

#### Shutterfly:

Our Shutterfly page has been updated! Take a look on there to see some of the awesome activities we have been up to!

#### AM Drop-In Care:

Due to our rising AM care numbers, it is **required** that we have prior notice of AM drop-in care needs. We cannot guarantee spaces if we are not given prior notice.

#### Toys From Home:

Please leave toys from home at home. This is MPLS Kids policy, and we don't want them to get lost!

### 17/18 School Year:

Registration for next school year is open! Many of you have already enrolled, and we are so excited to have you back! We also have a number of new families already enrolled and we are excited to welcome them to our program. If you have any questions, please let me know! We would love to see all of you back next year!

## Staff

We are so excited to have Katrin on our team! She is originally from Estonia, but grew up in Iowa. She has a degree in business from Iowa State University. She loves working with children and students, and has been a co-teacher at two preschools. We are lucky to have her here at Lyndale! If you haven't had a chance to chat with her, she is excited to meet all of you!

## Summer

We still have space for summer! We have a ton of fun activities and field trips planned and would love for you to join us. All of our Lyndale staff will be with us this summer. If you would like more information, you can ask or email me, or view our summer brochure at <http://mplskids.mpls.k12.mn.us/lyndale.html>
