## From Ancient Greece to the Enchanted Forest!

We had a blast in April learning all about Ancient Greece and doing many wonderful projects and activities. Some of our favorite ones were making our own Mount Olympus', learning and decorating our names in Greek, and have a "Greek Treat" (Greek yogurt and fruit). This month we leave Ancient Greece and head into the Enchanted Forest! We will learn about our backyard birds, create our own monsters, have our own wild rumpus with the Wild Things, and end the month watching Tangled!

### Kids Clubs

We started our last round of Kids Clubs for this school year in mid-April. This round we have a nature club and a sports club!

### Youth Council

Our Youth Council has been hard at work! Each month they have been working as a team to come up with our Youth-Choice Activities, as well as deciding on our Kids Clubs topics. Towards the end of the year they will help up decide on next years monthly themes.

### 17-18 School Year

Registration for the 2017/2018 school year is open! Registration for new families will open at noon on Monday, May 1st. I know it seems far away, but we would love to have your child(ren) back again next year! Please let me know if you have any questions about the process!

## Accreditation!

We had our accreditation visit and it went great! Our validator observed our program for two hours in the afternoon and was able to see the great stuff we have been doing and working on all year. We won't hear about our status until late summer, but we will keep you updated! Thank you to everyone for your support in this process and our program, we couldn't have done it without you!

## Summer

Summer will be here before we know it! Summer planning is already well under way and we are so excited for what we have planned! We have lots of fun packed field trips and on-site days scheduled. Registration for summer is now open online to all families. Remember, you need a minimum of 10 days to register. Questions? Let me know!

### Kids Welcome:

Before School 6:30-8:30

After School 3:00-6:00
