(Wet) Winter Wonderland!

Our Winter Wonderland month was a blast! We had such a great time exploring snow in multiple ways—playing with it outside, making our own inside, and even learning about the Inuit culture!

Our theme for February is Under the Sea, so get ready for a splash! We will be exploring the world under water and we have some wonderful activities planned. We even have our own expert on site—Miss Cheryl! She is excited to share her knowledge from Sea Life with us and to enhance our unit even more!

IMPORTANT REMINDERS!!

Child Absences

It is the parent's responsibility to notify Minneapolis Kids when his/her child will not be in attendance, even for one day. If a child does not arrive after school and the program has not been notified, staff will start looking for the child. Parents and others listed on the child's emergency card will be called. The school main office and nurse do not communicate with us when a child goes home early or is not attending school.

Schedule Changes

A schedule change is defined as: adding or subtracting one or more components, or changing the number of days/weeks for the school year or extended period of time. Minneapolis Kids does not swap days or credit for incidental days missed. Schedule changes require a two week notice and are made by contacting the main office. Two weeks notice is required when cancelling service.

Summer 2017!

Before we know it, summer will be here! Lyndale is projected to be our site again for this upcoming summer. This summer there will be five multi-week themes: Set Sail!, Space Case, The Great Outdoors, Animal Planet, and Prehistoric Party! We will also have four clubs for children to join; this summer's clubs will be Mad Scientist, Green Thumb, Art Attack, and Get Moving! Summer registration opens on **Monday March 13th at noon**. You won't want to miss this fun-packed summer!

February NSD

We have one Non-School Day this month. On Friday, February 17th we will be on-site and our theme is the Lyndale Zoo! We will be doing lots of fun activities about animals, and we will have a visit from the MN Zoo with live animals! It's going to be a blast—hope to see you there!

Kids Welcome:

Before School 6:30-8:30

After School 3:00-6:00

Non School Days

6:30 am—6:00 pm
