

## Welcome to the 2015-2016 School Year!

Hello Parents!

Welcome to Lyndale Mpls Kids! I hope everyone is as excited as we are to start this new school year! We have fun activities and field trips planned for this year. I will be sending out a monthly parent email containing a monthly newsletter, activity calendars, and any program updates. I am really looking forward to meeting all of you.

### Pick-up and Drop-off:

We are open from 6:30am-6:00pm. To get into the building, push the buzzer at the front entrance (Door 1) and a staff member will buzz you in. We are located in room 207.

### Parent Board:

Any and all important information will be posted on the Parent Board. This is located in the doorway to our room. Please check this board to keep up with our current events!

### Absent Child Reminder:

If your child is not going to attend a scheduled day, **please remember** to contact me via email or by calling the site phone (612-668-4004) and leaving a message. This way we will know not to expect your child.

### Release Days:

Pre-registration is required for all release days! Unfortunately, we cannot accommodate same day drop-offs. Registration for release days is open, so please register if care will be needed for your child. Also, a reminder if you need to cancel care for a release day, the main office needs two weeks notice. Contact the main office to register.

## Our Staff

We are excited to bring back familiar faces this school year as well as a new one!

Angie Parker is our new Site Coordinator. She is excited to start the school year and meet all of the families!

### Child Care Assistants:

All three of our staff are returning from last school year. Mackenzie Potts, Karmen Wade, and Cheryl Walker will all be here at Lyndale and are all looking forward to seeing you!

## Our Goals

We want every child to have the best possible experience here at Mpls Kids. Every child brings a uniqueness that helps build our diversity. We strive to create a fun, safe, and rich environment for children to explore interests, learn new skills, and make new friends!
