## It's Already May!

As we find ourselves entering the final stretch of the 2014-2015 school year, we are amazed daily by the children and families who help create the wonderful dynamic we are fortunate to experience here at Whittier Minneapolis Kids.

We would like to extend our gratitude for sharing and entrusting your children's well-being to us. We have journeyed beyond the ordinary this year to bring some new excitement to our program. From our fall parent "kidatizers", winter teacher's breakfast and spring

fling, we have encouraged more of our entire school community to join us in the action down here at Minneapolis Kids. As we look towards the next school year, please feel free to connect with us regarding any suggestions for additional programming.

We are looking forward to another school year. Oh my goodness it will be the 2015-2016 year. Seems like just yesterday it was prep time for the Y2K turnover! :)

In honor of May Day, and all the hard work and learning the children have accomplished this year, our schedule will maintain much of the same balance of free exploration and planned activities, however we will have a less rigid format and plan on taking advantage of the warm weather by spending more time outside as appropriate.

## See You Next Year!
