

# Pratt May/June News 2015

## Classroom Highlights

### Morning

We are enjoying being outside and playing on the playground! Highlights include capture the flag, soccer in the cage, free art creations, and building with legos, magnet blocks, and Knex.

### Afternoon

The Lion King Performance was terrific! I am so proud of the

kids. Thanks to everyone for coming and celebrating their accomplishment.

In the morning and afternoon we will be exploring nature by planting, observing and investigating the changes our playground is going through as the season changes. Kids will be able to use various tools to document and

enjoy the new life. Some things we will use are rulers, binoculars, magnifying glasses, and sketch paper.

Basketball, and sidewalk chalk are also favorites.

We also welcome new staff member Kate Fuller to the Pratt morning team. She works at Windom in the afternoon and is studying to be a teacher.
