## Read All About it !

## Final Edition

The end of the school year is quickly approaching. Where has the time gone? As the school comes to a close we say good bye to some of our staff. If you come in the morning you have noticed that A J is no longer with us.

He moved to another site in the morning. We are also losing Holly who will be going to another site.

Taylor is moving on too, she has transferred to Moorhead State college. She will be closer to her family who live in Bismarck. We wish her the best of luck in finishing her studies. She will

make a great teacher.

Most of the Northrop staff will be working at Keewaydin this summer. We hope for a smooth transition for everyone.

School will be starting after Labor day so back to the good old days, where labor day weekend was the last hurrah of summer.

There will be more construction at Northrop this summer. Let's hope they get it all done, so we can come back to fresh and shiny building.

We also say good bye to most of our fifth graders who we have known for many years. We wish you good luck and good grades in middle school and beyond. We will miss you.

Wishing everyone a safe and fun filled summer!

We hope you signed up for summer! We will be at Keewaydin again. The space was great and we really enjoyed it there. Summer dates are June 13th to August 23rd.

We will be closed June 10, 11, & 12 for moving and set up and July 4, 5 for Independence Day

Finally we will also be closed August 26 thru 30th to prepare for the school year.

## SCHOOL STARTS SEPT. 3RD

Have you signed up for the up coming school year? Space is limited so register as soon as possible!

### Kids Welcome:

Before School 6:30—9:00 am

After School 3:40—6:00 pm
