Happy New Year!

The new year of 2017 has arrived! We hope everyone had a wonderful winter break! We have been busy at Dowling Mpls Kids with tons of fun activities and are excited to kick off the new year with even more exciting things in store!

Pictured on our Newsletter this month, (right) is the wall maze pom-pom drop challenge where students had limited supplies to build a maze to get a pom-pom from the top of the wall to the bottom, and (below) is a few students who build a fantastic castle out of magnetiles!

Please Remember to Call

If your child will not be attending Mpls Kids on a day they are normally scheduled, please make sure to call our site and let us know ahead of time. We have students from six different schools and do not always receive messages from schools regarding attendance. We appreciate your help!

Accreditation Update

Thank you to those that have filled out the family survey, if you haven't filled one out, please see a staff member.

The next step will be creating an action from the feedback we received from the surveys and the observations that the stakeholder team will do.

We will work on the action plan to ensure we are meeting all the accreditation standards by our spring visit.

Winter Weather

Minneapolis Kids offers outside play every day unless the temperature outside goes below zero. Please send your child with appropriate outdoor clothing.

Remember, when MPS is closed due to snow or cold weather, MPLS Kids is closed as well.

When after-school activities are canceled, Mpls Kids will remain open until 6:00.
