Classroom Highlights

Morning

We are enjoying being outside and playing on the playground! Highlights include capture the flag, free art creations, building with Legos, Magnet blocks, Kenex, Hex bugs and Laser pegs. Kids even built a robotic metal detector. They were so proud that it worked. Science is so engaging for the kids, they are so creative and it's a natural fit for their imaginations!

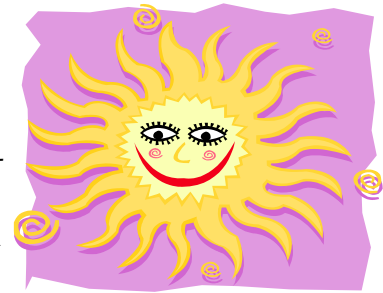

Afternoon

The Performance of Peter Pan was terrific! I am so proud of the kids! Thanks to everyone for coming and celebrating their accomplishments. It was truly a delight so see how well the kids worked together.

In the morning and afternoon we will be exploring nature by planting, observing and investigating the changes our playground is going through as the season changes. Kids will be able to use various tools to document and enjoy the new life. Some things we will use are rulers, binoculars, magnifying glasses, and sketch paper. Basketball, and sidewalk chalk are also favorites.

Mud tea parties and sidewalk chalk are also favorites. Being active for 60 minutes of each day is our goal and the kids are rising to the challenge.

Have a wonderful summer and we will see you here at Pratt in the fall.

Important Information

Mpls. kids CLOSED

May 27th

Summer

Summer Care offered at Dowling :

June 13th -August 23rd

Program closed:

June 10th, 11th, 12th

July 4th and 5th

August 26-30th

ICE CREAM SOCIAL

Friday May 31st 5:30-8:30

Last Day of School

June 7th

Kids Welcome:

Before School 6:30—9:00 am

After School 3:30—6:00 pm
